All employees hired pursuant to any federal, state, or other program whereby an agency other than the County is providing all or a portion of the funding shall be subject to the provisions of this Agreement only to the extent such coverage is consistent with the agreement between the County and the funding agency.

The County recognizes the Union as the sole and exclusive collective bargaining representative of all the employees covered by this Agreement for the purpose of negotiations with respect to employment relations as defined by ORS 243.650-762.

SECTION 3. NEW POSITIONS:

When any new classification which is properly in the bargaining unit is established, the County shall designate a job classification and pay rate for the position. The Union shall be notified and shall be afforded an opportunity to meet and discuss the matter. If the Union does not agree that the rate set for the classification is proper, the Union may submit the issue as a grievance under the procedure of Article 5.

ARTICLE 2: UNION SECURITY

SECTION 1. DUES DEDUCTIONS:

The County agrees to deduct the uniformly required Union membership dues and other authorized fees or assessments twice each month from the pay of those employees who have authorized such deductions in writing. The amounts so deducted shall be given to the local treasurer as designated by the Union with a list of the employees subject to the deduction.

SECTION 2. MINIMUM WORKDAYS FOR DEDUCTION:

For the purpose of calculating months to determine the beginning or end of the payroll deductions called for in this Article, dues or like amounts shall be deducted for any calendar month during which the employee works 10 working days or more.

SECTION 3. HOLD HARMLESS:

The Union will indemnify, defend and hold the County harmless against any claims made and against any suit instituted against the County as a result of any County action taken pursuant to the provisions of this Article. The Union and the County each agree to reimburse any monies paid or not paid in error within 30 days of notification of such error.

ARTICLE 4: STRIKES AND LOCKOUTS

SECTION 1. STRIKES:

As long as this Agreement remains in force, the Union or its members, as individuals or as a group, will not participate in any strike, work stoppage, slowdown, or other restriction of work against the County. Violation of

this Article shall fulfill just cause requirements for disciplinary action under the provisions of Article 7 hereof.

SECTION 2. RETURN TO WORK:

In the event of a strike, work stoppage, slowdown, picketing, or other restriction of work in any form, either on the basis of individual choice or collective employee conduct, during the life and duration of this Agreement, the Union will immediately, upon notification from the Public Works Director or the County governing body, attempt to secure an immediate and orderly return to work.

SECTION 3. LOCKOUT:

There will be no lockout of employees in the unit by the County as a consequence of any dispute relating to the provisions of this Agreement.

ARTICLE 5: SETTLEMENT OF DISPUTES

SECTION 1. GRIEVANCE AND ARBITRATION PROCEDURE:

Any dispute which may arise between the parties concerning the application, meaning, or interpretation of this Agreement shall be settled in the following manner:

STEP 1 - Informal Discussion: The affected employee, with or without Union representation, shall communicate the grievance, verbally to the employee's most immediate supervisor within 7 days of the occurrence of the grievance or employee's knowledge of same, whichever shall occur later. The supervisor shall have 7 days in which to respond to the grievance.

STEP 2 - Formal Filing: If the grievance is not resolved, the affected employee, with or without union representation, shall, within 14 days of the occurrence of the grievance or employee's knowledge of same, whichever shall occur later, be presented to the Department Head or designee. Such presentation shall be reduced to writing and shall specify the County action or lack of action which is the cause of the grievance, the specific Article or Articles and Section(s) or paragraph(s) thereof alleged to have been violated, and the remedy sought. The Department Head or designee will have 14 days in which to make a response in writing to the grievance.

STEP 3 –Board of Commissioners: If the grievance remains unresolved, the affected employee with or without union representation, shall, within 14 days of completion of action at Step 2 hereof, submit it to the BOC by submission of all memoranda and materials submitted or received at previous steps of this grievance procedure. The BOC shall have 21 days in which to respond to the grievance.

STEP 4 - Arbitration: If the grievance is still unsettled after completion of Step 3, the Union may, within 14 days of the written response of the County governing body under Step 3, have the right to have the matter submitted to final and binding arbitration as provided herein. The parties shall first attempt to select an arbitrator who is mutually acceptable. If within 10 days from the request for arbitration the parties are unable to agree upon an arbitrator, the parties shall ask for a list of nine (9) names of arbitrators from the Employment Relations Board. The designated arbitrator shall set a time and place for hearing which is agreeable to both parties. Expenses of the arbitrator shall be borne equally by the parties; however, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim recording of the proceedings, it may cause such a record to be made, provided it pays for the record and makes

a copy available without charge to the arbitrator. If the other party desires a copy, both parties shall jointly share the cost of the transcript and all copies. The arbitrator shall have the authority to consider only a claim based upon a specific provision of this Agreement and shall have no authority to add to, modify, or detract from this Agreement.

Any decision of the arbitrator within the scope of this Agreement shall be final and binding upon the parties.

SECTION 2. TIME PERIODS:

Time periods specified in this Article may be extended or modified only by mutual consent. Failure by the Union to comply with a specified time period shall be considered equivalent to dropping the grievance and the dispute shall not be subject to arbitration as provided herein. If the employee/Union wishes to pursue the grievance despite the time limit default, the grievance will be processed to the BOC. In this instance, the BOC's decision shall be final and binding.

Failure by the County to comply with a specified time period shall constitute rejection of the grievance at that step, thereby automatically moving the grievance to the next step.

SECTION 3. DETERMINATION OF MERIT:

The provisions of this Article shall not be interpreted to require that the Union process any grievance through the grievance or arbitration procedure which it believes lacks sufficient merit.

SECTION 4. PROCESSING OF GRIEVANCE:

Employees will be paid for time spent during their regular working hours meeting with County officials for the purpose of processing grievances or resolving contract administration issues, but will not be paid for meeting time that falls outside their regular working hours. Time off with pay for the purpose of investigating or preparing grievances for arbitration or other third-party hearing will not be allowed. Time off without loss of pay will, however, be allowed when the County requires an employee to attend an arbitration or other third-party hearing.

ARTICLE 6: PROBATIONARY PERIOD

SECTION 1. NEW EMPLOYEES:

Every new employee shall serve a probationary period of 6 months. During the probationary period, the County shall have the right to terminate the employee for any reason, and the employee shall not have recourse to the provisions of the grievance procedure. Except as provided for herein and elsewhere in this Agreement, probationary employees shall be subject to all provisions of this Agreement. Leave without pay and layoff time shall not be credited towards the probationary period and other time periods specified in this Article.

SECTION 2. PROMOTIONAL PROBATIONARY PERIOD:

An employee selected to fill a job opening shall have up to six months to demonstrate his/her ability to satisfactorily perform the job. In the event he/she is unable to satisfactorily perform the job within that period, he/she shall have the right to return to his/her last job position with all seniority restored within that

classification.

If the employee who was selected to fill the job has not completed his/her initial probationary period as specified in Section 1 hereof, the above 6-month period and the initial probationary period shall run concurrently. In any event, the employee will serve at least a six-month probation period in the promotional classification.

ARTICLE 7: DISCIPLINE AND DISCHARGE

SECTION 1. TYPES OF DISCIPLINE:

Disciplinary actions to be invoked shall be limited to the following written reprimand, demotion, reduction in pay, suspension without pay, and discharge. Except as provided for in Article 6 hereof, discipline will only be invoked for just cause and be subject to the Grievance Procedure.

SECTION 2. STANDARD:

No employee shall be disciplined or discharged except for just cause. Verbal warnings are not considered to be discipline and may not be protested through the grievance procedure.

SECTION 3. PROBATIONARY PERIOD:

This article shall not apply to any employee on probation as defined in Article 6 Probationary Period.

SECTION 4. IMPOSITION:

If the County has reason to discipline an employee, reasonable effort shall be made to impose such discipline in a manner that will not unduly embarrass the employee before other employees or the public.

SECTION 5. DUE PROCESS:

In the event the County believes an employee may be subject to discipline greater than a written reprimand, the following procedural due process shall be followed:

- A.** The employee shall be notified in writing of the charges or allegations that may subject them to discipline. In the event of discipline greater than a written reprimand, an electronic copy will be sent to the Local Union Sub Chapter President and Council Representative within seven (7) days at the request of the employee.
- B.** The employee shall be notified in writing of the disciplinary sanctions being considered.
- C.** The employee will be given an opportunity to refute the charges or allegations either in writing or verbally in an informal hearing.
- D.** At their request, the employee will be entitled to Union representation at the informal hearing.

SECTION 6. JUST CAUSE STANDARDS:

For the purpose of this Agreement just cause shall be determined in accordance with the following guidelines:

- A. The employee shall have some warning of the consequences of their conduct, unless the conduct is of such a nature that no prior warning is necessary in the eyes of a reasonable person.
- B. If a rule or order is the subject of the alleged misconduct, it must be reasonable and applied evenhandedly, if appropriate.
- C. The County must conduct a fair and reasonable investigation.
- D. It must be determined that the employee is guilty of the alleged misconduct or act.
- E. Discipline normally will be imposed in a progressive and corrective manner. The discipline must be appropriate based on the severity of the misconduct or the actual or potential impact the misconduct has or would have on the employer's operation.
- F. The employee's past employment record shall be considered, if appropriate, based on the severity of the act.
- G. The County shall apply rules and disciplinary action evenly and fairly, recognizing that some misconduct is so egregious that no employee can reasonably rely on past treatment for similar offenses as a justification or defense to discharge or other discipline. The County further has the right to change disciplinary policies at any time, notwithstanding prior practices, if the County gives reasonable advance notice to affected employees and the change does not otherwise violate the collective bargaining agreement.

ARTICLE 8: HOURS OF WORK

SECTION 1. WORK HOURS AND WORK WEEK:

The foregoing shall not apply when a change in work schedule is due to inclement weather, or other circumstance over which the County exercises no direct control or could not have reasonably anticipated.

SECTION 3. TEMPORARY WORK LOCATION:

Whenever an employee is required to report to a work location other than their usual place of reporting, the employee shall be paid at the rate of twenty cents (20¢) per mile from their usual reporting place for the use of the employee's personal transportation to and from the temporary work location. Compensation for mileage would only

be if the distance to new reporting station was greater in length than previous reporting location for employee.

In the event the County requires an employee to work at a location other than their usual reporting place, as provided above, for a period in excess of 3 calendar months but fails to designate such reporting place as a usual reporting place, the County shall pay an additional \$12.75 per day for each day after the first 3 months that such condition continues.

SECTION 4. MEAL PERIODS:

All employees shall be granted a minimum of a 1/2-hour uncompensated meal period during each work shift. The meal period shall normally be taken between 3 and 5 hours (4 to 6 hours if on a 4/10) after the start of the work shift. Employees who are working overtime in excess of 12 hours in a work day shall be provided an additional 1/2-hour meal period and meal reimbursement in accordance with the current GSA rates. Claims in excess of GSA rates will be at the employee’s expense.

SECTION 5. REST PERIODS:

Each employee shall be allowed a 15-minute rest period during the first half of his/her shift, and a 15-minute rest period during the second half of his/her shift. Time spent traveling elsewhere to take the break will count toward the 15-minute period. However, employees are allowed reasonable distance to the designated break area, if any.

SECTION 6. MINIMUM HOURS:

Notwithstanding Section 2 above, there shall be no guaranteed number of hours of work per day or per week, nor shall there be a guaranteed minimum level of total monthly or annual compensation. If, however, employees are to work less than the normal work hours, the County will post work schedules in accordance with Section 2 hereof reflecting same at least 72 hours in advance or pay the straight time rate for all hours normally worked whether actually worked or not.
