## URBAN GROWTH AREA JOINT MANAGEMENT AGREEMENT

The parties to this Joint Management Agreement shall be the City of Ione, Oregon, hereinafter referred to as the City, and Morrow County, Oregon, hereinafter referred to as the County.

The terms of this Joint Management Agreement shall be applicable to the City's urban growth area. For the purposes of this Agreement, the urban growth area shall be defined as that area of land extending from the City's corporated limits to the City's urban growth boundary as referenced and mapped in the City's Comprehensive Plan on June 19, 1978 and amended on June 02, 1987.

This Joint Management Agreement is entered into pursuant to ORS Chapter 190 and 197 and the Oregon State Planning Goals for the purpose of facilitating the orderly transition from rural to urban land uses within the City's urban growth area.

Words and phrases used in this Joint Management Agreement shall be construed in accordance with ORS chapters 92, 197, 215, and 227 and applicable Oregon Statewide Planning Goals unless otherwise specified. In the event two or more definitions are provided for a single word or phrase, the most restrictive definition shall be utilized in construing this Agreement.

### I. Introductory Information

- A. This Joint Management Agreement is the culmination of a series of action intended, in part, to facilitate the orderly and efficient transition from rural to urbanizable to urban land uses within the urban growth area. Such actions include the preparation of a city comprehensive plan, the cooperative establishment of an urban growth area, coordination with affected governmental units, and county review of the city comprehensive plan.
- B. The City Council has adopted by ordinance a comprehensive plan which includes an urban growth boundary and planning goals, objectives and policies.

### II. General Comprehensive Plan Provisions

- A. The County shall retain responsibility for land use decisions and actions affecting the City's urban growth area, such responsibility to be relinquished over any land within this area upon its annexation to the City subject to provisions of ORS 215.130(2)(a).
- B. The City's urban growth area has been identified as urbanizable and is considered to be available over time for urban expansion. In order to promote consistency between the City's planning effort and County land use decisions and actions affecting the urban growth area, the County shall incorporate that portion of the City's Comprehensive Plan which addresses the urban growth area into the County Comprehensive Plan.

- C. After the City's Comprehensive Plan has been reviewed by the County and after County concurrence with and approval of the Plan for the area within corporate city limits and adoption of the Plan for the urban growth area, all public sector actions which fall within the scope of the City's Comprehensive Plan shall be consistent with the Plan.
- D. Land within the urban growth area presently zoned for Farm Use shall remain in Farm Use until rezoning is requested, and such rezoning shall be consistent with the City's Comprehensive Plan.
- E. It is the policy of the City and County to maintain a rapid exchange of information relating to their respective land use decisions which affect the City's urban growth area.

III. Zoning and Subdivision Ordinances

- A. The Substantive, as opposed to procedural, portions of the City's Zoning and Subdivision Ordinances shall be incorporated, by reference, into and made a part of the County Zoning and Subdivision Ordinances with exceptions as necessary and as agreed upon in writing by both parties to this Joint Management Agreement.
- B. For the purposes of this Joint Management Agreement
  - 1. Substantive provisions of a zoning ordinance shall be those sections of the ordinance which establish outright uses, conditional uses, and zone requirements (e.g., minimum lot sizes, setback requirements, etc.) and the zoning map; and
  - 2. Substantive provisions of a subdivision ordinance shall be those sections of the ordinance which establish design standards for required improvements. The County can only waive Subdivision Ordinance standards upon the approval of the Ione City Council.
- C. The City Zoning Map, when adopted as part of the City Zoning Ordinance, shall include the urban growth area and shall:
  - 1. Apply to land within the city limits upon adoption by the City;
  - 2. Apply to land within the urban growth area upon annexation to the City;
  - 3. Be a recommendation to the County for rezoning all lands within the urban growth area where existing zoning is inconsistent with the City Comprehensive Plan by type of use allowed except land zoned Farm Use pursuant to Section II(D) above.

4. After action is taken by the County pursuant to Section III(C)(3) above, all subsequent rezoning by the County shall be consistent with the City Comprehensive Plan and Zoning Map except that adequate findings for the need to rezone land shall be required.
5. The above mentioned incorporated ordinances shall only be applied to zone change, conditional use, variance, subdivision, major partition, minor partition, and outright use permit requests within or affecting the City's urban growth area.

IV. Referred Applications/Situations

- A. The County Planning Department shall refer each request affecting the City urban growth area to the City for its review and comment within three days of the date the request was filed with the County Planning Department.
- B. The City shall review the request and submit its recommendation to the County Planning Department within 30 days of the date the request was received by the City.
- C. It is agreed that the County will refer any proposed discretionary action back to the City for its review and comment in the event such action was not addressed in the original request for review. The same time limitations imposed by Sections IV A and B above shall be applicable.
- D. The County shall retain final decision-making responsibility for all land use actions affecting the City urban growth area, but such decisions shall only be made after the receipt of timely recommendations from the City.
