Hi Bambi

As acting CRPP Manager of CTUIR, would you be available for a call this today? I would like to learn more about your Cultural Resource investigation process on private lands near the Carty Reservoir.

Please feel free to call me as well.

Hi Jennifer

As continued follow up from our phone conversation last week, I would like to discuss in further detail what would be entailed with clearing our project area for SHPO compliance from CTUIR perspective.

Here are some details.

We are developing a 275 acres site about ½ mile north of the Carty reservoir.

Please reach out as soon as you can.

Kindly

Hello Jennifer,
Here is the body of the Email.

Hi Carey

I'm not sure what that was about, because I don't believe I sent an attachment. It might be from my new iPad and outlook.

Regardless thank you for the response. As our project is commercial sensitive, I would like to establish an NDA between our respective groups. Is that acceptable to you?
