Find 5/8" I.R. Logier 1982

fence line & power line

R/W Line PAVED RD.

E-W & Sec. 36 & Co. Rd. # 761

N 89° 57' 36" W (302.03')

Find 5/8" I.R. set by me in 1981 Sur. for Carney et al.
SE Cor. W 1/2, SE 1/4, NE 1/4 Sec. 36

NARRATIVE: The purpose of this survey is to stake the north corners of a previously described parcel out of the W 1/2, SE 1/4, NE 1/4, Sec. 36, T5N, R26E. Krumbein subdivided this Sec. in 1977 for Woolsey & Hahn. I revised that subdivision in my 1981 sur. for Carney. In that sur. I set the SE cor. of this parcel. Logier used my 1981 sur. to set the SW cor. of this parcel in his 1982 sur. for Shafer. County Road # 761 was built North of the R/W so the south corners of this parcel are 20 feet north of the north R/W Line.

REGISTERED PROFESSIONAL LAND SURVEYOR

J. Dennis Edwards
