

The purpose of this survey is to partition one acre out of Blk. 8W & vacated N. Main the south line of which lies just south of a row of Locust trees.

Tom LaGier has done many surveys in this section using incorrect monuments. Krumbein did a survey in June 1983 in which he found many monuments shown on Tamblyns 1935 plat of Sec 24. I used Krumbeins monuments. Note the old Iron Pipe I found at the intersection of S. Main & 2nd St. matches the Plat of sec. 24 for both line & distance.
