

Basis of Bearings = Edwards Survey for Paul Haws 10-26-77
 Distances shown are those of original Plat of Sub. for Irrigon (*Measured)
 (Part of Sect 23-75N. R 26 EWM) filed 5-24-35

- Monuments found
- Mons. Set. 1" x 30" Gal. PIPE

NOTE

This survey being outside the Irrigon Plat is surveyed on the Basis of present BLM Sect. 23 East & West 1/4 corner Monuments, whereas the North-South Lines of the Plat are N 0° 22' W. Future studies may show the Plat Bearings (North-South) to more nearly represent original surveys for all of Sect. 23
