

**NARRATIVE:**

THE PURPOSE OF THIS SURVEY WAS TO SET THE CORNERS TO THE 9.6 ACRE PARCEL IN THE SW COR. OF TAX LOT 600 I HAD TO PUT A JOG IN THE SE COR. OF PARCEL 1 TO MATCH AN EXISTING FENCE THAT WAS TO STAY. KRUMBEIN SUBDIVIDED THE SECTION AND SET THE EXTERIOR CORNERS, HIS DRWG. NO. 76-15B. KRUMBEIN ALSO PREPARED A DRWG. (NO. 77-4C) BREAKING TAX LOT 600 INTO 5 ACRE PARCELS. BOTH OF HIS DRAWINGS WERE USED TO CONDUCT THIS SURVEY. I CHECKED HIS ANGLES & DISTANCES AND THEY CHECKED ON THE EXTERIOR OF TAX LOT 600. BASIS OF BEARINGS IS KRUMBEIN'S BEARING ON THE NORTH LINE.

▲ DENOTES MON. FND. FROM KRUMBEIN'S SURVEY  
 ● DENOTES 5/8" IRON ROD & CAP MKD. L.S. 1861 SET.  
 —X— FENCE
