**NARRATIVE:**

The purpose of this survey was to find or set the corners of that parcel of land belonging to Morrow County Schools in the NE $\frac{1}{4}$  of the SE $\frac{1}{4}$  of Section 17, T4N, R25E, W.M.

Bearings and control for this survey was based on this firms survey of this same parcel in 1978, Co No. C-296-K. We found the R/R spike at the E $\frac{1}{4}$  and the SE & SW corners of this parcel, from these monuments we set the NE & NW property corners.
