NARRATIVE:

The purpose of this survey is to set the corners and determine the area of that tract of land described in a deed to "Hermiston Rod & Gun Club" recorded on M-23600 Morrow County Deed Records. I am also to measure & describe a parcel of land lying west of said tract and East of an old fence line.

Dave Krumbein surveyed the west line of the above described tract in a 1975 survey for AYLLETT. The N 1/4 Corner of Sec. 28 that he set lies in a roadway & was knocked out. I replaced it. Krumbein partially subdivided sec. 28 & referred to Wayne Harris & Assoc. Survey for Umatilla County (drawing # 202C) which subdivided T4N, R27E, W.M.

My bearings & section breakdown are based on Krumbein's 1975 survey.
