

NARRATIVE

The purpose of this survey was to reestablish the South line of a parcel of land belonging to Wesley Wise in the SE 1/4, NE 1/4 of Section 22, T5N, R26E, W.M.

This parcel was previously surveyed in 1981 by Dennis Edwards, Morrow County Surveyor No B-442-K and the 1/2" iron pins shown as found were set at that time.

Eighth Street is being reconstructed by Morrow County and eight feet from the East side of the parcels along the West side of Eighth Street was acquired by the County for the project.

A new fence line has been built along the West line of Eighth Street as part of the project. Our new property pin on the East end of the South line is just West of the new fence. There was an existing fence just North of the South line as shown on our survey and on the 1981 survey. It was partially removed when we were on site to perform the survey.

Bearings are based upon County Surveyor No. D-305-K. Those shown in parentheses are from the Original 1935 Plat by Tomblin.

- denotes conc. mon w/ 1/8" iron pin stamped PLS 933 on top
- denotes set 1/8" x 30" iron pin with aluminum cap stamped PLS 933
- denotes find 1/2" ir., Co. Surveyor No B-442-K
