**NARRATIVE:** The purpose of this survey is to set the corners of the following described parcel:  
 The N 216.6' of the E 330' of Lot 8  
 The W 30' of the E 330' of the S 114' of Lot 8  
 & The W 30' of the E 330' of the N 36' of Lot 11  
 all in Blk 19W of the Subdivision of Sec 25, T5N, R26E, W.M. Morrow Co. OREGON.

I had surveyed many parcels out of Blk 19W using monuments which are now determined to be incorrect. A concrete monument was found (about 7 feet below the surface) approximately 45' East of a Brass Cap which I had used in those surveys at the SW cor. of Sec. 25. The concrete monuments are assumed to be what Tamblyn set, & they do match plat distances.
