MONUMENTATION AND MAINTENANCE

See standard U.S.F.S. "INDEX No." in the circle on the map. Monuments are stamped as shown below. On each Bearing tree, nailed a brass washer stamped "PLS 848" blaze above the BT scribe and nailed warning signs on the back. Set steel posts with warning and boundary signs, on line within 5 ft. of property corners, or a single post with a warning sign within 5 ft. of controlling corners.

See "CERTIFIED RECORD OF LAND CORNER MONUMENTATION" forms on file in the office of the Morrow County Surveyor for a complete history, description of evidence found, monument set, and accessories established at all corners set or maintained.
