

NARRATIVE:

Purpose of this survey was to stake off an additional 2 acre parcel for a Morrow County Rock pit. The existing 2 acre parcel's legal description was based upon a pin set by the Oregon State Highway Dept. for their property line, this pin was found, and along with right-of-way marker 1544 + 42.49, were used to control this survey. Bearings are based upon State Highway Data for the relocated Lexington - Heppner Highway. Those shown are Oregon State Grid - North zone.
