

**NARRATIVE:** The purpose of this survey is to do a boundary line adjustment to add 2.82 acres of Stahl's property to a one acre parcel belonging to Morgan, recorded on M-42204, Morrow County Deed Records and to change the tax lot line which runs along the centerline of vacated North Main Avenue to the South line of North Main Avenue. There have been many surveys in this area. Tom Lagier surveyed the centerline of the abandoned railroad tracks and the East line of tax lot 200 in a 1979 survey for Stahl, (Co. #224-D). His iron rod at the centerline of the Railroad and 2<sup>ND</sup> Street is 2.51 feet East of where it should be because he used incorrect monuments in his survey. Krumbein retraced Tamblin's 1935 Plat in 1985 and set the monument at the Northwest corner of Block 8W and most of the other street intersections in Section 24. I used said 1985 survey to stake Partition Plat #1992-3 and based this survey on that Partition Plat.

PARTITION PLAT #1992-3.
