NARRATIVE:

The purpose of this survey is to measure and describe that strip of land lying South of the North line of Section 28 as it was surveyed in 1975 by Krumbein for Aylett and North of an old fence line as it existed in 1985 (Parcel "A"). Also to stake and describe a strip of land 60 feet in width lying South of said old fence line (Parcels "B" & "C").
 Krumbein surveyed the North line of Section 28 and the North-South centerline of said Section 28 in a 1975 survey for Aylett, Co. #C-265-K. I surveyed the same lines and the fence lines in a 1985 survey for Hermiston Rod & Gun Club, Co. #B-803-K.
 I based this survey and the bearings on my 1985 survey which was based on Krumbein's 1975 survey.
