

End. 8" conc. monument with Brass plug. Shown on 1935 Plat of Subdivision of Part of Sec. 19, Tamblyn, Book 2, Page 1. It has two 2" iron pipes driven along the South side.

End. 2" Iron Pipe with Brass Cap U.S. 1975.

NARRATIVE:

The purpose of this survey is to stake the corners of the SE 1/4 of Section 19 to see if there are any encroachments, including the pivot thereon. From monuments found, I retraced the boundary as shown on Tamblyn's 1935 Plat of Section 19, Book 2, Page 1.
