Loc. computed from my 1989 Sur. for County, #B-892-E.

WASHINGTON AVENUE

**NARRATIVE:**

The purpose of this survey is to see how the fences match the Deed on W. B. Weston's parcel described in Deed M-19175. I based my bearings and this survey on a 1993 survey for Wayne Bradley (Co. #B-944-E) in which I surveyed Block 12W.

Weston's parcel is described from the Southwest corner of Lot 3 and Sannar's parcel is described from the Southwest of Lot 1. The result is that there is about a one foot No Man's Land between said two parcels.
